Limited number of players.
Please remit by Oct. 1st

Scramble Rules:

1. Each team will consist of 4 players
2. All players can tee-off at each hole
3. The team then selects the best drive and marks the position (within 6 inches) with a tee peg (not nearer the hole).
A minimum of 4 tee shots per player to be used.
4. The other players then retrieve their balls.
5. The player whose ball is chosen then plays his next shot first.
6. The remaining players then play within 6 inches of the tee peg (not nearer the hole). NOTE! Golf balls shall be placed on closely mown areas and dropped if the chosen ball in play is in the rough or a hazard.
7. The above method of play is followed until the green is reached.
8. ON the green, the same method applies. The ball is chosen marked by a putter head length and players putt from the same spot in turn.
9. Each player must mark the ball after putting. Play continues from each chosen position until the ball is holed.
10. The score is the total number of shots from the chosen spots (including the tee shot). At the end of the round, the total of each hole is added together and the strokes received subtracted to give the total net medal score for the round. The winning team will be the one with the lowest medal score.

All other rules of golf apply to the "Ball in Play." In particular, please be aware of rule 14.2. Team members are not allowed to position themselves on or close to an extension of the line of play or the line of putt behind a ball.

Shady Valley dress code enforced.
