Open House, the annual event which reunites Arlington High School classmates, is a month away, so clear your calendar and make plans to attend this year's Homecoming and Open House activities Sept. 27-28.

The weekend's events will begin with the traditional AHS Homecoming Pep Rally Friday, Sept. 27, followed by the football game that night. The homecoming game will be held at 7pm at Choctaw Stadium in Arlington where the Colts will face off against the South Grand Prairie Warriors. At 10am Saturday, Sept. 28, the 26th annual Alumni Open House will begin in the AHS Cafeteria. Meet and catch up with classmates, enjoy music by the AHS Alumni Band and sing the alma mater.

This year's Distinguished Colt Alumni will be presented during the program, along with our 2024 Alumni Scholars able to attend.

Follow Your Passion and Participate with Others in Giving Back on NTGD

The AHS Alumni Association will again be participating in the 16th annual North Texas Giving Day, with a goal to raise \$15,000. The event will be held on Thursday, Sept. 19. Prizes will be given for small, medium and large organizations by random drawings from Communities Foundation of North Texas, sponsor of the event.

Early giving begins Sept. 1 and can be made online by scanning the QR code (right), by visiting our website - www.ahscolts-alumni.org, and clicking the green NTGD donate button, or by mailing a check to AHS Alumni Association, P.O. Box 152578, Arlington, TX 76015.

Donor contributions will help award a \$2,000 scholarship to 10 students in May 2025 for their continuing education. In addition, the money raised will help support student and faculty needs throughout this school year.

Because of this, we want to encourage you to join the nation's biggest online giving event. Sponsor support will be spotlighted not only in our newsletter,

which reaches 1,300 members, but on our social media platforms where your participation will be seen by over 4,000 followers.

“Dream Job” Becomes Reality

Trophy Coordinator Travels with Ultimate Baseball Prize

Last year, Cheryl Hardy Springer’s job didn’t exist.

AHS Alumna Cheryl Hardy Springer, Class of 1976 displaying the Texas Rangers’ World Series trophy she guards while on tour.

But that all changed when the Texas Rangers won the 2023 World Series and Cheryl was hired as one of two “Traveling Trophy Coordinators.”

Cheryl has been working for the baseball organization for the past nine years in various jobs from Guest Service Relations to Security.

“I heard some employees saying that they had filled the position. Since I applied and

not heard anything,” Cheryl said, “I got on the phone with the person hiring and told her I wanted the job and wanted to talk to her.” Shortly after that in-person meeting, Cheryl had the job.

And what exactly does a Traveling Trophy Coordinator do? “We take the trophy, named the Commissioner’s Trophy, out on tour to various cities, making sure it gets there safely,” Cheryl replied. “We’ve traveled to Round Rock, Houston, Frisco, Oklahoma City and are going to North Carolina. Some other visits are with partners the Rangers have, but we also visit City Council meetings and City Libraries.” Fans are encouraged to come out and take photos with the trophy.

“At some of the home games, we pass out tickets to the first 250 who enter, who can have their picture taken with the trophy here,” she added.

Playing drums in the high school band may have equipped Cheryl to handle the 30-pound trophy, made of sterling silver and 24-karat gold. Each of the

30 gold-plated flags around the base represents the 30 MLB teams in the league, and is made new each year by Tiffany’s.

One of the perks of the job includes driving a new Toyota Sequoia to carry the trophy around in, Cheryl noted, adding that “we even strapped the trophy to the top of the vehicle during the July 4th parade in downtown.”

Since the winning team keeps the trophy each year,

Cheryl hopes her “dream job” will continue and she can continue to travel across the state and show off the trophy.

The next traveling tour schedule covers most of the East Texas area, beginning in Greenville, all the way to Texarkana and down to Shreveport and back.

For a traveling tour schedule, go to <https://www.mlb.com/rangers/fans/trophy-tour>.

Just another day at work for **Cheryl Hardy Springer**, who drove the Toyota Sequoia, with the World Series trophy attached to the top, during the annual city of Arlington July 4th parade.

Ten Seniors Selected To Receive AHS Alumni Scholarships

The Arlington High School Alumni Association presented 10 scholarships each worth \$2,000 to the Class of 2024. The teacher selection committee considered typical areas of inquiry into the applicants: grades, majors, schools, goals. One not so typical “requirement” of these 10 winners is that they love,

appreciate and revere their days as AHS Colts. The Association can proudly say that the 141 Alumni Scholars chosen since 2003 did, indeed, live up to ALL requirements. The \$179,000+ donated by your Association helped these great Colts plan their educational goals.

Anuoluwapo Adegoke

Anuoluwapo Adegoke is this year’s Capt. William H. Nation, Class of 1936, award recipient. Adegoke plans on working towards a bachelor’s degree in Aerospace Engineering, at UTA and enlisting in the Air Force following graduation.

“I envision my day-to-day life including my favorite things: playing tennis, working on model rockets and reading,” she said.

Dylan Buechele

Playing baseball is what Dylan Buechele has always dreamed of, and this fall will be attending the University of Oklahoma to pursue his dream. He received the Class of 1963 Scholarship in memory of four Vietnam Veterans. He plans to major in the medical field.

Buechele said “the spirit and traditions of pep rallies make AHS a great place to go to school.”

Mariana Castillo

Mariana Castillo was awarded a scholarship honoring the Class of 1957, made possible by John Gardner. Castillo plans on attending Dallas Christian College playing soccer and studying for a bachelor’s degree in psychology.

“I know God opens and closes doors. One thing’s for sure – I plan on holding God’s hand during my journey,” Castillo said.

Louis Hayward

The Charles Jacobs Memorial Scholarship, funded by Marcia Jacobs, was awarded to Louis Hayward. Hayward is going to UT-Austin to study business, specializing in analytics and data processing.

“Three words I would use to describe campus life at AHS are Spirit, Pride, and Tradition,” he added. “I’ve spent the last four years chanting these words, now I am going to analyze them.”

Anjali Menezes

The scholarship awarded to Anjali Menezes honors AHS Teacher of the Year Jordan Fletcher.

Menezes has chosen to major in Data Science at Rice University. “A career in data science would allow me to have a career where I can use coding, numbers, and data to improve society,” she said. She also wants to become a positive role model in her community.

Ayvelen Moore

UT-Austin-bound Ayvelen Moore plans to pursue a bachelor’s degree in economics and finance and plans to try out for a role with the UT Marching Band. “My band directors have had an immense impact on my life,” she said.

Her scholarship was given in honor of 1963 graduate, Joyce Preisser by her husband Al Preisser, family and classmates.

Mason Moore

Mason Moore, scholarship recipient, given in honor of 1963 graduate, Joyce Preisser by her husband Al Preisser, family and classmates, plans to work towards a Music Therapy degree at Oklahoma State University, utilizing his passion for music to benefit others.

“I hope to find a fulfilling career improving the lives of others through my skills as a musician,” Moore stated.

Alexa Rivera

“I’ve always dreamed of working in the veterinary field after graduating college,” said Alexa Rivera, this year’s recipient of the Scott and Debbie Ericson alumni scholarship in honor of healthcare workers.

Rivera’s goal is to graduate from Texas A&M University, majoring in animal science and continuing her education in their Veterinary school.

Emma Stewart

Emma Stewart is this year’s recipient of the annual Cathy Brown Scholarship. Stewart plans to major in Kinesiology at Hill College.

“I know I want to do something where I interact and help my community because of the impact AHS had on me,” she noted. “I will remember all the friendships and lessons AHS has taught me as I take steps towards my future.”

Edie Taylor

This year, The Greater Arlington Lions Club Scholarship was awarded to Edie Taylor. Taylor will be attending Charlie’s and Sue’s School of Hair Design in College Station, to become a licensed hairstylist.

I have always had a passion for styling and fixing hair,” Taylor said. “Working is important to me,” adding that “everyone always needs a haircut!”

AHS Alumni Association

Alumni Participate in Annual Parade

Amidst the red, white and blue colors celebrating our country's Independence Day, Arlington High School's green and white colors were proudly displayed at this year's July 4th parade in Arlington. From the Alumni Band playing the fight song, to cheers, waves and displaying the "kick 'em Colts" sign, the Alumni Association, was well represented along the parade route.
