## SPECIAL EDITION - MEMBERSHIP '22

### *What the hell, we know we're great! Senior Class of '78!*

Your Alumni Association says the Class of 1978 was absolutely right on target with that slogan! Last year they set the bar for joining the Alumni Association. They more than doubled their number who support Arlington High School. This fantastic group now has 49 members of the Association.

Classes of the 1970s and 1980s held 500 - 1,000 students each. That is thousands of alumni from those two decades alone!

Our goal is to add 100 new members this year! Join today - invite your classmates and help us spread the word to the COLT FAMILY

### The Challenge!!

ADD 100 NEW MEMBERS  
from the 1970s & 1980s classes.  
Can your class match or exceed  
the kind of support given to AHS  
from the Class of 1978?

**YES YOU CAN!**

Join the Alumni Association today!

# Membership is about giving back to AHS! How do we give back?

## Little Arlie Update

In 2018 Little Arlie's handlers decided that the Colt Mascot needed a make over. One year later AHS ordered a new mascot costume and we donated \$1,000 to defray a portion of the cost.

## Code Green

To celebrate being an AHS Colt, the administration started a once every four years week. We gave them seed money to support students and staff.

## Scholarships

From 2003 through 2022, we will have awarded 121 scholarships to graduating seniors for a total of \$139,150.

Pictured are the scholarship winners from the 2022 AHS Awards Assembly.

## Band Fronts

When the jazz band needed “fronts” for their music stands, they requested help from the Alumni Association and they got it!

## Grants to Schools

Your dues, gifts, and a growing membership also support academics. Pictured are alumni who presented a math grant to an AHS teacher. Help us round up new members so us “old” Colts can support the young ’uns.

## Spirit \* Pride \* Tradition
