NORTH TEXAS GIVING DAY—PRELIMINARY REPORT

Thanks to our 25 sponsors and 40+ donors who answered the call from Debbie Ericson and her band of merry fundraisers. The tally stands at

over \$15,000. Bonus and late donations will take us over \$16,000.00. What a grand achievement! And what can we do for AHS with that? Take a look at what we did this summer. We helped the Baseball Booster Club refurbish their concession stand by donating \$3,500—enough to purchase two brand new refrigerators.

Pictured by the new beverage fridge are Baseball Colts!

This list shows **31** new members since August from **20** classes—a broad show of support covering **six decades** of Colt alumni. In addition, nine memorial memberships over five classes have been added to our roster posted on www.ahscolts-alumni.org. Click on Membership Roster. The last two years have seen exceptional growth in our number of members—still quite a bit short of the thousands of AHS alumni still kickin' out in the world. Keep on coming to the corral because you know, **"HOW SWEET IT IS TO BE IN COLT COUNTRY!"**

Anyone remember when a mum was **one** real chrysanthemum with a dozen or so green and white ribbons? Can you tell there's a girl under there—on her phone—at the pep rally?
